

**“Statistic” or “Performance” cookies:** Analytics Cookies gather general information on how users use a website, e.g. which pages they visit most frequently and whether they receive any error messages from websites. The data collected with these Cookies will not be merged with any other information on the visitors of the Website. All information collected through such cookies exclusively serves the purpose to comprehend and improve the functionality and services of the Website.

For doing so, DFS uses cookies such as:
